 Universal Transverse Mercator projection
 Zone 19, 1:24,000, 1991

AREAL EXTENT OF DISSOLVED PHOSPHORUS
 IN GROUND WATER In milligrams per liter as P.
 Contour is dashed where inferred. Interval is varied.

EXPLANATION

- INFILTRATION BEDS FOR DISPOSAL OF TREATED SEWAGE
- Loading stopped in 1984
 - Loading stopped in December 1995
 - Unknown—No loading after 1984
